

AREA OF CITY IMPACT PUBLIC WORKSHOP

The Lemhi County Planning & Zoning is in the process of updating and expanding the Area of City Impact. We are asking the public to join us in a workshop to help determine what areas of the county should be included, what zones should be specified and where these zones should be located.

Please join us on January 30, 1014 from 5-7pm at 200 Fulton Street Suite 204 in Salmon also known as the “Brooklyn Annex”. **Your comments and questions are very important to us.**

If you have any questions please contact the Planning & Zoning Office at (208)756-6913 ext. 263
