Special Use & Subdivision Development Application Instructions

1. Fill out application
2. Obtain signatures from all of the review agencies found in the application packet. Faxed signatures are acceptable. Any comments listed by the agencies must have a letter of explanation attached to the application prior to a public hearing being scheduled. Make sure to take all supporting documents concerning your proposal such as but not limited to Aerial maps, site plan, plan of operation, onsite photographs. Please be courteous and schedule appointments with the government agencies.
3. A plot plan is required for any development. Please include the required number of parking spaces, the required setbacks, and buffering. Also include all signs on the property as well as proposed signs if applicable.
4. A written plan of operation i.e. Hours of operation, number of employees, average daily ADT etc is required to be submitted with the application packet. (The more information the better)
5. Legal description of the property to be developed must be submitted to our office in **written form** as well as **digital form**.
6. A letter from the appropriate Irrigation Entity verifying that have been informed of your project.
7. Proof that a neighborhood meeting has been held and appropriate property owners were notified. (this requirement is for special use permits and subdivisions of 10 lots or more)
8. The following chapters in the Lemhi County Development Code must be addressed in writing. If sections do not apply to your proposal you must explain why they don't apply.
 - Chapter 5**
 - Chapter 6**
9. The following chapters or appendices with the Lemhi County Development Code must be addressed if they apply to your development. (if you are unsure whether or not your development applies please feel free to contact our office and we will be more than willing to help you)
 - Chapter 7- Additional Performance Standards for Specific Zoning Districts**
 - Chapter 8- Additional Performance Standards for Specific Uses**
 - Chapter 9- Required Improvements**
 - Appendix A- Developments within the Area of City Impact**
 - Appendix B- Design Standards for Roads**
 - Appendix C- Development in the Special Flood Hazard Area**

* Applications must be submitted on forms provided by the county. Multiple copies of applications and supporting material may include a preliminary title search, site plan, aerial photo and preliminary plat, also any

other items that may pertain to any proposal required by the administrator. All applications shall demonstrate code compliance in writing by addressing each section applicable to their development. Public hearings will only be set after all supporting material has been submitted in writing. Written comments from the public must be submitted 7 days prior to the public hearing. Notices will be published in the Recorder Herald for two consecutive weeks and all property owners within 300 ft of the development will receive notices of the proposal prior to the public hearing.

**** There will be additions fees for publications, copies, notices & mailings. These fees are not included in the \$500.00 application fee. Colored copies will be charged at \$0.25 per copy and B/W copies at \$0.10 per copy. No decision of record will be signed until the invoice for balance due is paid.**

DRAWING SUBMITAL REQUIREMENTS FOR SUBDIVISIONS/SPECIAL USE PERMIT DEVELOPMENTS

(Please provide the following information with your application. Failure to do so could delay your application process.)

VICINITY MAP

1- 8 ½ x 11 reproducible map showing the property under consideration and the adjacent property and subdivision lines.

PRELIMINARY PLAT REQUIREMENTS. Preliminary plats shall provide all information necessary to function as a “site plan”, as defined by this ordinance, including:

- a title block showing the name of the proposed subdivision and its location by quarter-quarter section, section, township, range, principal meridian, city, county, and state;
- the name, address, and registration number of the engineer or land surveyor who prepared the preliminary plat;
- a north point, both graphic and written scales, and a legend explaining all symbols and abbreviations used;
- a vicinity map that locates the proposed subdivision within the section and shows major roads and watercourses adjacent to or near the subdivision, the boundaries of and recorded names or numbers of all adjacent or nearby subdivisions and certificates of survey, and the county tax number of all adjoining parcels;
- the location, nature, and boundaries of all existing public ways and public or private easements in or adjacent to the proposed subdivision, including the county book and page number references to the instruments establishing those ways or easements;
- the location and size of all existing utility lines in or adjacent to the proposed subdivision;
- the exterior boundaries of the proposed subdivision;
- the location, exterior dimensions, and number of proposed lots and blocks, or other parcels created by the subdivision;
- the acreage of each proposed lot, and a table showing the total acreage of the area proposed for subdivision, the total acreage in lots, the total acreage in streets, and the total acreage of parcels proposed for dedication to public use or to be held in common by the lot owners;
- the names of all proposed streets and widths and boundaries of all proposed street rights-of-way and utility easements;
- the location of all irrigation structures, watercourses, and wetlands within or adjacent to the proposed subdivision;
- the location of any Floodplain and floodway boundaries, as established by the Federal Emergency Management Agency, and any stream corridor setback lines.
- elevation contours, at an interval of twenty (20) feet

FINAL PLAT REQUIREMENTS. All final plats submitted shall be prepared in compliance with Chapter 13, Title 50 of the Idaho Code, as amended, and shall include all information listed below:

- a title block showing purpose of the land division and its location by quarter-quarter section, section, township, range, principal meridian, city, county, and state;
- the name, address, and registration number or seal of the engineer or land surveyor who prepared the plat and that person's certification that the plat is accurate, and that the monuments described in it have been located and/or established as described;

- a north point, both graphic and written scales, and a legend explaining all symbols and abbreviations used;
- the basis of bearings and point of beginning for the subdivision survey, which shall be tied to two monumented section or quarter section corners;
- the location and a description of all existing monuments found during the course of the survey;
- the location, nature, and boundaries, with bearings and distances, of all existing public ways and public or private easements in or adjacent to the division, including the county book and page number references of the instruments establishing those ways or easements;
- the exterior boundaries of the division, with all bearings and distances, including curve data for curving boundaries;
- the location, exterior dimensions, and number of all lots and blocks, or other parcels created by the division, including bearings and distances and curve data for curving boundaries;
- the location and a description of all monuments established during the course of the survey;
- any stream corridor setback lines established by this ordinance and, where required by **Error! Reference source not found.** (page **Error! Bookmark not defined.**), the location of any floodplain and floodway boundaries, as established by the Federal Emergency Management Agency;
- the acreage of each lot, and a table showing the total acreage of the divided area, the total acreage in lots, the total acreage in streets, and the total acreage of any parcels dedicated to public use or held in common by the lot owners;
- the names of all streets and widths and boundaries of all street rights-of-way and utility easements, including bearings and distances and curve data for curving boundaries;
- a signed and dated owner's certificate which includes a complete legal description of the parcel being divided, and in which the owners of record dedicate all public ways and other public spaces to public use;
- a public notary's acknowledgment of the owner's certificate;
- a signed and dated certificate of consent in which all mortgagors, lien holders, and other parties with any real property interest, including the holders of mineral rights, in the property consent to its division;
- a public notary's acknowledgment of the certificate of consent;
- certificates for plat approval by the commission and board;
- a statement of "sanitary restriction", as required by I.C. 50-1326;

- a certificate for use by the county recorder in recording the plat after its approval (as shown below); and any other information required for compliance with this ordinance.
- Final plats shall be prepared at a legible scale. All dimensions shown shall be in feet and decimals. Plats of large areas may be prepared on multiple, serially numbered sheets with match lines, and a sheet index map, which may be combined with the required vicinity map. All required certificates and the vicinity and index maps shall appear on the first of the serially numbered sheets.
- Required curve data include the radius, delta (?), tangent, chord, length, and chord bearing.
- The developer shall also provide the county with one reproducible copy of the final plat suitable for photographic reproduction and reduction.

Note: Additional information may be required as determined by the Lemhi County Planning & Zoning Administrator.

DRAWING SUBMITAL REQUIREMENTS FOR SPECIAL USE PERMITS

(Please provide the following information with your application. Failure to do so could delay your application process.)

- VICINITY MAP**
 - 2- 8 ½ x 11 reproducible map showing the property under consideration and the adjacent property and subdivision lines.

- PLOT PLAN** (please provide all that apply)
 - 1- 8 ½ x 11 reproducible copy drawn to scale and 1 larger copy drawn to scale showing all relevant information as listed below;
 - Location, dimensions and height of all proposed structures including signs, fences and canopies. (see Appendix A of the Lemhi County Development Code for sign requirements)
 - The location, width, surface type and name of all existing or proposed streets, drives and parking areas within or immediately adjacent to the property, as well as other rights of ways, easements, canals and ditches. (see Appendix D, E & F of the Lemhi County Development Code for requirements)
 - The location and size of existing utilities and utility easements
 - Loading and unloading areas; docks or ramps
 - Trash storage areas
 - Include new and existing structures and natural features as well as new and existing landscaping and vegetation, within or immediately adjacent to the property. Also indicate those which will be removed or modified. (See Appendix F of the Lemhi County Development Code for buffering requirements)
 - Method of handling surface run off
 - Existing and proposed contour lines and/or spot grades (if site is flat note so)

- ELEVATION DRAWINGS FOR ALL BUILDINGS** (if applicable)
 - 1 set drawn to scale (must be reproducible, applicant will be charged for copies larger than 8 ½ x 11)

- INTERIOR FLOOR PLANS** (if applicable)
 - 1 set drawn to scale (must be reproducible, applicant will be charged for copies larger than 8 ½ x 11)

Note: Additional information may be required as determined by the Lemhi County Planning & Zoning Administrator.

Neighborhood Meeting Requirements and Process

(This process is only required if the development consists of a 10 lot or more Subdivision or any Special Use Permit)

Neighborhood Meeting List Request

Lemhi County Planning & Zoning 200 Fulton Suite 204 Salmon, Idaho 83467
(208)756-2815 ext 1703

General Information:

If you are applying for a subdivision of 10 lots or more and special use permits, you must conduct a Neighborhood Meeting. This meeting allows neighbors to learn more about your project before the public hearing. All property owners within 300 feet of the subject property boundary need to be invited to your meeting.

According to Lemhi County Code the meeting shall be conducted by the applicant at a public place where the applicant shall present the concept plan and allow for comment and questions by the above specified property owners. The meeting shall not be held on official holidays or on weekdays between the hours of seven thirty (7:30am) and five thirty (5:30pm), unless a written consent agreeing to the day and time, signed by at least fifty one percent (51%) of the property owners within three hundred (300') is filed with the department prior to the neighborhood meeting.

At the time of submitting an application, the applicant shall be required to demonstrate that a neighborhood meeting was conducted in accordance with this section by filing a copy of the meeting sign-in sheet and a copy of the meeting notice.

Please fill out the supplied certification form and include it with your application so we have written record of your meeting.

- **All letters must be sent “Certificate of Mailing” and copies of the receipt turned in to the Planning & Zoning**

Neighborhood Meeting Certification

Lemhi County Planning & Zoning 200 Fulton Suite 204 Salmon, Idaho 83467

(208)756-2815 ext. 1703

General Information:

If you are applying for a subdivision of 10 lots or more or a special use permit, you must conduct a Neighborhood Meeting. This meeting allows neighbors to learn more about your project before the public hearing. All property owners within 300 feet of the subject property boundary need to be invited to your meeting.

According to Lemhi County Code the meeting shall be conducted by the applicant at a public place where the applicant shall present the concept plan and allow for comment and questions by the above specified property owners. The meeting shall not be held on official holidays or on weekdays between the hours of seven thirty (7:30am) and five thirty (5:30pm), unless a written consent agreeing to the day and time, signed by at least fifty one percent (51%) of the property owners within three hundred (300') is filed with the department prior to the neighborhood meeting.

At the time of submitting an application, the applicant shall be required to demonstrate that a neighborhood meeting was conducted in accordance with this section by filing a copy of the meeting sign-in sheet and a copy of the meeting notice.

Once you have held your neighborhood meeting, please complete this certification form and include it as well as your sign in sheet with your application.

- **The neighborhood meeting must be conducted in one location for attendance by all neighboring residents. Contacting and/or meeting individually with residents does not comply with the neighborhood meeting requirements.**
