Salmon, Idaho

The Board of County Commissioners met in special session pursuant to recess of November 25, 2019 to make a decision on the Small Community Air Service Development Grant that had been tabled in the November 25, 2019 meeting. Present were Chairman of the Board Richard Snyder, Brett Barsalou and Ken Miner.

IN THE MATTER OF SCASD GRANT DECISION

Gem Air had asked the Lemhi County Commissioners for an extension of the grant between Lemhi County, Gem Air and Idaho Transportation Department. Richard Snyder asked if there was any decision that needed to be made before making a decision on the grant extension request. Ken Miner stated that Lemhi County had extended the grant for an additional year in 2019 and felt we had lived up to our obligation for the grant. Brett Barsalou spoke and said he wasn't a part of the original grant decision in 2014 but did not feel the county should be subsidizing any private entity. Brett Barsalou made motion to not extend the grant and Ken Miner seconded. All were in favor.

There being no further business, the board did adjourn until Monday December 9, 2019 @ 7:30 a.m.
